In G.O.Ms.No. 2154, Development, dated 14-5-47 the Government sanctioned the purchase by the Director of Agriculture, by transfer from the Industries Department, of 16,1000 feet of 4" pipes available with that Department at a cost not exceeding Rs. 56,500/-. As the pipes had otherwise been disposed of by the Director of Industries and Commerce before their purchase by the Director of Agriculture was sanctioned, it was not possible for the director of Agriculture to take these pipes by transfer from the Industries Department. G.O.Ms.No. 2154 Development, dated 14-5-47 is therefore hereby cancelled.

2. In G.O.Ms. No. 1514 Development, dated 12-4-46 the Government sanctioned the purchase, among other things, of 50,000 feet of 4" pipes and 1,00,000 feet of 6" pipes by the Industries Department from the Thompson Disposals. Out of this quantity, the Research Engineer, Coimbatore under the Agricultural Department received by mistake 34,753 feet of 6" pipes and 23,160 feet of 4" pipes ~~and 23,160 feet of 4" pipes~~ intended for the Industries Department. Instead of passing on the pipes to the Industries Department, the Agricultural Department sold them to ryots for tube well and pumping installations, and the Director of Industries and Commerce did not raise any objection to it.

3. The Director of Agriculture has now submitted proposals for sanction for the purchase of these pipes at the cost noted against each of the items detailed below:-

(1) Tubing Ms.screwed 4" x 23,160' Rs.3-8-0 per feet.	Rs.81,060--0--0

(1) and (2) above: His Excellency the Governor sanction the purchase by the Director of Agriculture of 23,160 feet of 4" pipes, 34,353'-10" of 6" pipes from Military surpluses, at a total cost not exceeding Rs.3,02,212 -12-0 (Rupees three lakhs, the thousand two hundred and twelve and annas twelve). The sanction for the pipe lengths constained in G.O.Ms.No. 1514 Development dated 12-4-46 will be reduced to this extent.

P.T.O.

(3) above:- Sanction is also accorded to the purchase by the Director of Agriculture of 400' of 6" Tubig Ms.Screwed at a cost of Rs. 2,575/- (Rupees two thousand five hundred and seventy five).

The Director of Agriculure is requested to report whether the full cost of these three items has been recovered by sale and credited to government.

4. His Excellency the Governor of Madras approves the action of the Director of Agriculture in having debited the expenditure on account of the purchase of pipes in items (i) and (ii) above to "40-Agriculture - d. In para 3 of the G.O cited Government have called for information as to whether the full cost of 4" and 6" pipes acquired from the Thompson Disposals Committee and originally intended for the Director of Industries and Commerce but transferred to this department, has been sold out and the proceeds credited to Government.

The Research Engineer, Coimbatore acquired 23,160 feet of 4" pipes and 34,353 - 10" of 6" pipes from the Engineer Park, Coimbatore. 400 feet of 6" Black pipes were acquired by the District Agricultural Officer, Saidapet from the Engineer Park, Avadi. Out of the total quantity of 34,754' R.ft of 6" pipes, 16,200 feet of pipes were also sold out. Wtih the recent increase in the import of higher horse powered oil engine units, the easing of oil supply marked in the recent months and the demand for pipes for boring sets, the sales are expected to improve and the entire stocks will be sold out.
